

Partial Portfolio Proyek PT Centra Rekayasa Enviro (CRE)

Date Updated: 1 Oktober 2024

Sebagai perusahaan yang bergerak di bidang pengelolaan lingkungan dan teknologi hijau, PT Centra Rekayasa Enviro (CRE) telah menjalin kerja sama dengan berbagai klien dari sektor pemerintah, swasta, BUMN, dan BUMD di Indonesia. Kami telah berkontribusi dalam berbagai proyek strategis mulai dari instalasi pengolahan air limbah (IPAL), manajemen limbah industri, hingga solusi teknologi elektrokoagulasi yang inovatif di berbagai lokasi di seluruh Indonesia. Dengan pengalaman yang luas, CRE terus berkomitmen untuk memberikan solusi ramah lingkungan yang berkelanjutan guna mendukung pertumbuhan industri yang lebih hijau dan bertanggung jawab. Portfolio berikut menampilkan rangkuman dari beberapa proyek yang telah kami laksanakan beserta klien yang telah mempercayakan kebutuhan mereka kepada kami.
